DECLARATION OF NADJA EISENMENGER

Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Nadja Eisenmenger, am the first-named inventor in the above-identified application and in the international application number PCT/DE 2004/000413 upon which application is based.

This application is filed in the U.S. Patent and Trademark Office with the executed declaration correctly identifying me as the first named inventor Nadja Eisenmenger. The PCT/RO/101 documents prepared for the international application incorrectly identified me, Nadja Eisenmenger, on Page 1, as Matthias Eisenmenger.

When reviewing the translation of the German text application for execution, I noticed that my name was incorrectly typed as "Matthias" Eisenmenger. Therefore, I crossed through Matthias and inserted NADJA EISENMENGER and signed the declaration with my correct name, Nadja Eisenmenger.

Therefore, I, Nadja Eisenmenger, declare that I am the person for whom the declaration was prepared as the first-named inventor of the above-identified application. The error in transcription of my name onto the forms was not my fault and occurred without deceptive intention on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Nadja Eisenmenger

EXPLANATION OF SIGNATURE USED ON THE DECLARATION

Commissioner for Patents
P.O. BOX 1450

Sir:

The executed declaration, copy attached was prepared identifying Matthias Eisenmenger as the first-named inventor of this application. Apparently, the inventor's information was incorrectly identified on the international application, Form PCT/RO/101, as Matthias Eisenmenger. Therefore, when the inventor executed the declaration, he identified himself correctly, as Nadja Eisenmenger, not Matthias. While the inventor executed the declaration using his correct name, Nadja Eisenmenger, is the same person for whom the declaration was prepared and executed.
